PERSONNEL SELECTION BRANCH REQUEST TO WEAR
EMBROIDERED COLLAR INSIGNIA ON MESS DRESS

References: A. Letter from PSEL Branch Advisor dated 14 Nov 2011
B. A-DH-265-000/AG-001 CF Dress Instructions

1. We have received your letter at ref a requesting approval to wear embroidered collar insignia on mess dress.
2. We have noted that the most recent sample sent from the branch is a significant improvement in both size and quality from the original samples sent to DHH, and therefore approve this item for wear as an optional item on mess dress only. In accordance with ref b, the item will not be provided through public funds, nor will it be stocked in the CF Supply System. The item has been identified as: “sealed for design only” with the reference number DHH 2011-01, and will be held at DHH within the CF sealed pattern library. It will however be made available to your branch for reference upon request.
3. Questions in this matter can be directed to WO Rogers at (613) 949-2640.
